About This Workbook

Every lesson in this workbook was born out of our experiences. Reconciling our marriage after a span of eleven years and a distance of over 3,000 miles presented us with a number of challenges. To this day, we practice and apply the tools contained in this workbook to our own marriage. Whether you are newly married, veterans of the marriage relationship, remarried, or seeking reconciliation, the lessons in this workbook will provide you with hands-on training and applicable tools to help you gain God's perspective on your marriage.

Discovering God's Vision for Your Marriage is appropriate for couples to complete on their own or in a small group. Please note that there is an accompanying *Leader's Guide* and a set of *Instructional DVDs* which will help you implement the lessons and concepts presented in a more effective manner. Additional copies of our *Participant's Workbooks*, *Leader's Guides*, and *Instructional DVDs* may be ordered on-line at www.inverseministries.org.

Before You Begin

In order to get the maximum benefit from this workbook, set aside some time to pray together and ask God to lead and guide you as you work through each of the twelve lessons. It is also important to have a Bible with you for each lesson.

“For the LORD gives wisdom, and from his mouth come knowledge and understanding. He holds victory in store for the upright, he is a shield to those whose walk is blameless, for he guards the course of the just and protects the way of his faithful ones.” Proverbs 2:6–8
